

Helping you
 imagine
 the possibilities

You've got a project to do. And we've got the people to do it. At Minnesota Diversified Industries (MDI), we're focused on providing customer solutions that maximize your business – while serving people with disabilities by offering progressive development and employment opportunities

in competitive business enterprises. Real jobs that create a sense of pride, value and independence in our workers lives. *Imagine the possibilities.* Grow

your bottom line. And improve lives.

**Our capabilities are many.
 Our dedication is strong.**

If there's a job to be done, simple or complex, large or small, the people at MDI are ready and able to do it. MDI assesses your needs and then

matches skilled and quality-focused employees to your project to deliver the results you expect. From assembly to production to packaging, the experienced staff at MDI can handle it all. Even better, your speed to market will improve as will your cost-effectiveness and customer satisfaction. Some of our capabilities include:

- Assembly (Simple to Complex)
- Dis-Assembly (Mechanical/Electronic)
- Production/Light Manufacturing
- Kitting/Weighing/Counting
- Collating/Sorting/Organizing
- Packaging
- Poly Bag & Heat Sealing
- Shrink Wrapping
- Labeling/Affixing/Adhesion
- Mailings

Call MDI Sales at 651-999-8200 today and put success on your side.

**A partnership with MDI fosters diversity.
 And a better future.**

By working with MDI, you not only partner with a non-profit organization that's performance and results oriented, you create opportunities for a diverse group of individuals who are dedicated to your company's success. At the same time, MDI helps you achieve your diversity objectives. That's good business. For everyone.
