ADVICE COLUMN

Grandma is at a loss for words of advice for smitten grandson

DEAR ABBY: I have guardianship of my 12-year-old grandson. He has recently fallen head over heels for a girl in his class and wants to date her. I am out of touch with the younger generation, and I'm not sure how to answer his questions, like, "Does the boy or girl initiate the kiss?" I would appreciate knowing about any pamphlets or brochures you have for sale on this subject. Thank you. — **MARGARET O. IN MASSACHUSETTS**

DEAR MARGARET: Kids are maturing at younger ages than when we were growing up. Part of the reason may be that television, movies and the internet have exposed them to subjects we were not when we were their age. That said, not all of the information they receive from the media and their friends is accurate.

I'm glad you asked because I have a booklet that may be helpful. It's titled "What Every Teen Should Know," and it's filled with information on subjects such as, "How to know when you're ready to date," "Are you ready for sex?" "How old must a boy be before he can father a child?" and "Can a girl get pregnant the

first time she has sex?" A section on sexually transmitted diseases is also included. Because STDs need to be treated right away and ignoring or not recognizing the symptoms can have lifelong consequences, there is a list of the various STDs and what to do if you have one. You can order a booklet by sending your name and address, plus check or money order for \$7 (U.S. funds) to Dear Abby Teen Booklet, P.O. Box 447, Mount Morris, IL, 61054-0447. Shipping and handling are included in the price. The Teen booklet has been distributed in doctors' offices and used to promote discussions by educators and religious leaders, as well as parents who find it hard to discuss these topics with their children.

Review it BEFORE giving it to your grandson, so you can prepare beforehand to answer his questions or guide the conversation. The more information you can give him, the better prepared

he will be to make intelligent decisions in the important years that lie ahead.

DEAR ABBY: I am in my 80s. From time to time, when I have tried to contact a dear old friend or distant relative, I find they have recently passed away. Don't you think it would be a good idea for older people to make a short list of people we want contacted in case of serious illness or death? So many times our survivors have no idea who some of our friends are or how to contact them. — **GARY G. IN GEORGIA**

DEAR GARY: I think your idea is a sensible one. The list should include not only names, but also contact information. Thank you for sharing this with me and my readers because — let's face it — nobody lives forever.

Dear Abby is written by Abigail Van Buren, also known as Jeanne Phillips, and was founded by her mother, Pauline Phillips. Contact Dear Abby at www.DearAbby.com or P.O. Box 69440, Los Angeles, CA 90069.

YOUR HOROSCOPE

BY EUGENIA LAST

Look for ways to bring greater stability to your life. Money will not buy you the happiness you are searching for. Easing stress by living within your means will be the cure for any dissatisfaction you feel. Make the most of what you have. Love is highlighted.

CANCER (June 21-July 22) — Personal improvements will set you on a new and exciting course. Offset anger or aggressive behavior by doing what's right and best for you. Don't fold under pressure.

LEO (July 23-Aug. 22) — Stick to the people you know well and who have your best interests at heart. Walk away from anyone trying to manipulate you or entice you to indulge or spend foolishly.

VIRGO (Aug. 23-Sept. 22) — Put more time and effort into where and how you live. Alter what isn't working for you and do your best to improve your prospects. Hone your skills.

LIBRA (Sept. 23-Oct. 23) — Head in whatever direction promises to bring you the most joy. You'll reach your expectations if you make wise choices and are willing to work hard.

SCORPIO (Oct. 24-Nov. 22) — Don't let anger take the reins. Success is the best revenge, so focus on what you can achieve instead of trying to block someone else from getting ahead. Strive for perfection.

SAGITTARIUS (Nov. 23-Dec. 21) — Put your energy and enthusiasm into bringing in more cash. You can make gains through professional or personal investments that help you use your skills to the fullest.

CAPRICORN (Dec. 22-Jan. 19) — Keep your distance from anyone using emotional tactics to entice you to do something that isn't in your interest. Align yourself with people who share your opinions, ethics and integrity.

AQUARIUS (Jan. 20-Feb. 19) — Put more energy into taking care of personal investments, settlements or health issues. Taking care of business will give you peace of mind as well as the desire to start something new.

PISCES (Feb. 20-March 20) — A partnership will run amok if you or the other person uses force or emotional manipulation. Consider the motives that you or someone else might have, and ward off a problem before it begins.

ARIES (March 21-April 19) — Plans can be made, but iron out any potential problems before you share them with someone who may not be in favor of them. Being fully prepared will lead to success.

TAURUS (April 20-May 20) — Change can be good, but before you take a leap of faith, look at every angle and make adjustments to ensure you don't hit a roadblock that could be expensive.

GEMINI (May 21-June 20) — Talk the talk and walk the walk. If you live up to the promises you make, the results will be beneficial. Don't let someone's guilt tactics wear you down.
