Minnesota Diversified Industries (MDI),  
a non-profit organization in Minneapolis  
dedicated to empowering people with  
disabilities through job training.

Your support will drive growth of innovative job training courses and the launch of a  
pioneering learning platform for the Unified Work Academy, making a difference in lives  
both locally and globally. Proceeds from this event will sustain and grow Unified Work  
program, providing job training for people with disabilities in soft skills, manufacturing,  
safety awareness, and S.T.E.(A).M. education.
