

2025 Sponsorship Opportunities

Join us in supporting the **Unified Work** initiative - **a cause that empowers individuals with disabilities** by fostering essential soft skills needed in the workforce. Together, let's champion inclusion, nurture essential skills, and make a difference in the lives of people with disabilities facing unique career challenges.

The **Ability Bash promotes** community engagement to secure funds to expand equal employment access. Funds raised for Unified Work drives skill development.

Sponsorships play a vital role in MDI's growth, enabling us to establish meaningful connections and secure the necessary funds to expand our outreach and achieve the ambitious objectives of our mission. The support of our valued community partners is the cornerstone of our mission's success.

People with disabilities face triple the unemployment rate in Minnesota.

Our Mission

Serve people with disabilities by offering inclusive employment opportunities and services.
